FORMULA**

The Medicare Gel Toe Crests are expertly designed to provide effective support and relief for curled toes and hammertoes.

Made with soft gel containing mineral oil, they help alleviate friction and discomfort caused by toe misalignment.

By reducing pressure on the toes and metatarsals, these toe crests promote better alignment and enhance overall foot comfort, making them an excellent choice for daily wear.

FEATURES:

- 2 x Gel Toe Crests
- Unique Biogel® formation eases pressure and friction
