HPL (Polyester Jersey).
Lining: Medical-grade bio-gel.

The Medicare® Gel Arch Wrap is designed to provide targeted relief for those suffering from foot discomfort, including plantar fasciitis, flat arches, and cavus foot.

The shock-absorbing Biogel® reduces pressure and alleviates pain by supporting the arch. The wrap is made with soft, breathable fabric for comfort and includes mineral oils and skin-care ingredients to moisturise the skin.

FEATURES:

- 1 x Gel Arch Wrap
- Unique Biogel® formation to suit all foot shapes

INSTRUCTIONS FOR USE:

Wear the product as shown in the picture. Remove and hand wash with warm water, then air dry in a cool place.

CAUTION:

Please keep out of reach of children. Do not use this product if you are allergic to any of its ingredients. Do not use on broken or inflamed skin. If you have diabetes, consult your doctor before use. Discontinue use and consult a doctor if you experience a rash, hives, itching, or any irritation. Store in a dry place and avoid direct sunlight.
