**Mist Outlet:** 250ml/hour

**Power:** 25W

**Dimensions:**  
216 H x 200 W x 200 D (mm)

The Medicare Cirrus Humidifier creates a better home environment for those suffering from colds, allergies and dry skin. This humidifier also includes an essential oil diffuser. The natural benefits of essential oils along with soft LED lighting helps create a soothing and relaxed atmosphere.

## FEATURES

- Creates a healthy environment at home or in the office.
- Eliminates dust, toxins, bacteria and allergens from the air.
- Removes unpleasant odours and smoke.

## DIRECTIONS:

1. Take out water tank. Turn the water tank upside down, open the tank cap and fill the water tank with water.
2. Replace the water tank. Add 2-3 drops of essential oil on the aroma pallet. Plug the power cord and turn on the switch.

## RECOMMENDED USE:

Recommended for those who suffer with asthma/COPD, allergens, respiratory problems, nosebleeds, sinuses and dry skin.

**MD1008 Medicare Replacement Pads**
