The Medicare Nimbus Humidifier removes dust and indoor air pollutants from around the home, office, spa and more to create a clean, hygienic air. Using the aromatherapy tray, the humidifier can also release a host of rejuvenating and soothing fragrance that refreshes and improves the indoor air quality and ambiance of any space.

FEATURES

- Uses ultrasonic technology to create a fine mist that spreads around the room to purify the air.
- Eliminates odours, toxins and bacteria.
- Heat setting option of warm/cool mist settings.

DIRECTIONS:

1. Take out the water tank. Turn upside down, open the tank cap and fill with water.
2. Replace the water tank. Add 2-3 drops of essential oil on the fragrance pad. Plug in the humidifier and turn it on.

RECOMMENDED USE:

Helps lower the risk of catching colds & flus and helps speed up recovery when you are sick. Keep out of reach of children.
