

## Ultimate Multi-Wrap Support

Lightweight, durable & super stretchy support is designed for use on multiple body parts

### ULTIMATE

Provides compression and support ideal for smaller body parts such as wrists, elbows and ankles.

Durable and reusable, this wrap helps reduce muscle strain while maintaining elasticity for long-term use.

The Ultimate Support Range uses AIRFLEX Technology to facilitate faster recovery thanks to its therapeutic properties. AIRFLEX is an ultimate breathable material that provides the optimal level of compression and heat retention to help improve blood circulation and reduce pain.
