

Custom Fit Open Knee Brace

Premium material for maximum comfort,
firm support & compression

CUSTOM

Lined with breathable fabric which moves moisture away from your body keeping you cool and comfortable.

Lightweight and comfortable for all day wear.

Supportive steel springs and kneecap buttress help protect the patella and knee joint.

CUSTOM FIT + AIRFLEX

Tailored fit and faster recovery delivered through a unique therapeutic combination of Custom Fit Design and AIRFLEX technology. AIRFLEX is an ultimate breathable material that provides the optimal level of compression and heat retention to help improve blood circulation and reduce pain.
